Anna has nearly twenty years of experience advising on a wide variety of wholesale electric and natural gas matters, giving her deep insight into a wide range of pressing energy issues. On the electric side, she has worked on a broad range of matters involving regional transmission organizations and independent system operators. On the natural gas side, she has worked on rates, terms and conditions of service, certificates, and gas-electric coordination.

Prior to joining Wright & Talisman, Anna held multiple leadership roles during her long tenure at the Federal Energy Regulatory Commission (FERC), including Senior Legal Advisor and Managing Attorney in the Office of the General Counsel's Energy Markets Division. She also served as a Legal Advisor to Commissioner Colette D. Honorable. During her time at FERC, Anna worked on countless tariff filings and rulemakings, including Order Nos. 787 (gas-electric operational information), 809 (gas-electric scheduling coordination), and 904 (compensation for reactive power), as well as audits, investigations, and enforcement matters.
